# YRTC-HASTINGS YOUTH HANDBOOK

Welcome:

We would like to personally welcome you to Youth Rehabilitation and Treatment Center – Hastings (YRTC-H). This manual is yours to read and keep. It will help you to succeed while you are here at YRTC-H. Please, take the time to read the manual and ask the staff questions if you do not understand something in the manual. If you have trouble reading, that's okay, many young people have trouble reading. Just let us know and we will make sure the manual is read with you.

One of our major goals is to send you back to your community as soon as possible with new tools for success. Those tools will include a fresh way to think and act. To do this you will have to identify, own, and replace your negative thinking traps and behavior problems. Through the individualized group program here at YRTC-H, you will learn what thinking traps keep you involved in your behavior problems and learn new skills. These new skills will assist you to identify, own, and replace those errors and practice them on a daily basis. As you move through the stages of identifying, owning, and replacing your negative thinking traps and behavior problems, you will find that you are progressing through the YRTC-H program.

The YRTC-H staff members believe that you can make positive choices around accountability and being responsible for your behavior. We believe in you and your ability to be successful now, and in the future.

## YRTC-HASTINGS YOUTH HANDBOOK

The YRTC-H Youth Manual is designed to help you successfully complete the YRTC-H program. The program will help you learn new ways of thinking about yourself, others, and the world around you. The program will also introduce you to some of the skills that will help you manage difficult events. Just as important, you will be able to help others to successfully complete the program.

Change is difficult. We become comfortable with who we are and the choices we have made. As a result, we don't want to change or we think we can't change. Change can be scary. You don't know what will happen or who you will become. Our goal is to help you live a better life through effective services, affording you the opportunity to become a law-abiding and productive citizen.

During your stay at the facility, other youth and staff members will assist you in making these changes. But remember, the final decision to change your thinking, manage your feelings, and act more responsibly is yours. **You are the only person who can control what you do.**

*(Administration Building)*

### MISSION

**To create hope for juveniles to stay motivated to achieve their full potential by providing a safe and secure environment, programming, therapy, education/vocation, case management, and life skills which empower them to succeed.**

## YRTC-HASTINGS YOUTH HANDBOOK

### **WHAT YOUR YRTC-H STAY WILL LOOK LIKE:**

All youth will go through Stage 1 with trained YRTC-H staff going over the Youth Program Handbook. During this stage the youth will gain knowledge of the program and discipline model that will be in place while at YRTC-H. Also during Stage 1, the trained staff will discuss how to advance through the stages and what it takes to complete each stage. Stage 1 will give you the opportunity to learn about the program and will give us the opportunity to complete the necessary assessments to help us develop an individualized plan for you. In Stage 2, you will start to look at your own choices and behaviors, and learn some new ways of thinking about those choices. You will also assist your case manager in developing an Individualized Case Plan for you. Stage 3, will be focused on helping you to learn new skills that will help you do a better job of managing conflict and handling your anger. In Stage 4, you will continue to work on your issues, help other youth work on theirs and begin making preparations to return home. You will also finalize your Individual Re-entry Plan (IRP). Toward the end of Stage 4, you will attend your re-entry hearing with your committing judge.

Youth will be expected to assist in keeping the living units clean on a regular basis. It is your responsibility to make sure that you are using the cleaning supplies in an appropriate manner. When you arrive in your assigned living unit, staff will assist you with the proper procedure for the cleaning supplies used. This will include the following: what each cleaning supply is for, how to use the cleaning supplies, and some of the precautions. All toxic and caustic materials (cleaning supplies) will be inventoried, tracked, controlled, and supervised. All cleaning supplies must be checked out and checked back in. Most supplies used will be non-toxic and youth should follow all the warning labels on the bottles used.

### **CLASSIFICATION:**

You will meet with the Classification Committee. You have the opportunity to identify the problems and thinking traps you feel you need to work on, and identify your educational goals, vocational goals, and placement plans following your YRTC-H stay.

### **First Step in Change is to ‘Believe in Positive Potential’**

***You can learn. Believe in your Strength!***

It is important for you to believe in your positive potential and share your belief with other youth as often as possible. For example, tell a peer struggling in school, “I believe that you can graduate, get a good job, be honest with yourself and become a responsible adult.”

and role-playing. You will be provided opportunities to practice skills aimed at developing strong social skills, such as how to become considerate of others and act less self-centered.

### **“ACCOUNTABILITY”**

YRTC-H’s program focuses on accountability. You will be encouraged to accept accountability for the pain you cause yourself and others. The program will help you identify this in your MRT, and Group meetings. While attending these meetings you will learn responsible ways to interact with others, manage your anger, and help others. You will be offered many opportunities to learn how to think and behave responsibly.

### ***Things Moving Too Fast For You?***

**If so, be sure to ask staff and your group for help.**

**It is important that you understand the information that you are learning.**

**YRTC-H programming will assist you in changing behaviors by helping you to identify, own, and then replace the thoughts, feelings, and beliefs that allow you to continue with appropriate behaviors.**

During this stage of your treatment, you will work with your assigned treatment team to develop your Individualized Case Plan. You will work on improving any behavior problems and will start to attend daily meetings that consist of MRT, Group Meetings, Group Building, and Team Meetings. ### **Stage 2**

In Stage 2, youth will make choices that do not involve dishonesty, manipulation, acceptance, trust, and commitment to change as learned in MRT meetings. Youth on stage 2 find that their negative thinking is challenged by peers and staff more assertively and may find it stressful. It is possible for you to become more upset on this stage and return to old ways of thinking and prior defense mechanisms for brief times. However, the expectation is that you work through these instances and issues, think about things differently, and continue to learn about the issues in their lives. You can petition to the treatment team for Stage 3 advancement once you have:

- Learned and demonstrated Reasonable, Emotional, and Wise mind thinking/behavior concepts;

## YRTC-HASTINGS YOUTH HANDBOOK

On this stage, you will also work on special concerns such as chemical abuse and other specific issues that influence or interfere with positive thinking and decision-making. The direction of treatment changes on this stage from behavioral focus to developing a new life direction in the community. This includes finding employment; re-establishing connections in the community; placement planning; development of support systems, mentors, and leisure time activities in the community; making amends for some of the destructive actions in the past; and, learning a more in-depth sense of community. We currently offer three different ways for you to visit with your family. Webex visits, on-campus visits and when you're approved off-campus visits. You are only allowed one visit per week so if you have a Webex visit on Saturday, you cannot have an in person visit on Sunday. ### **NO PHYSICAL CONTACT POLICY/PROCEDURE:**

YRTC-H enforces a **NO PHYSICAL CONTACT** policy, which promotes personal safety for all YRTC-H youth. This policy involves contact during aggressive / assaultive situations and not incidental contact during recreation.

If you attempt to, or assault any other YRTC-H youth or staff, you are subject to the YRTC-H disciplinary process. Depending on the seriousness of the assault, you could be subject to prosecution by the Adams County Attorney. All assaults are reviewed by the Nebraska State Patrol to determine if they will be prosecuted.

If you feel physically threatened by any YRTC-H youth, YRTC-H staff person(s), YRTC-H contracted personnel or visitors to YRTC-H, you should immediately communicate the information to staff. It is the job of staff to protect you. At any time if you feel you do not clearly understand this policy, ask staff for further information.

You can speak privately with a staff person, in a private setting if you feel threatened or not safe. You can do so without other youth present; however, **the staff person may request to have another staff member present during the conversation.**

Steps for you to take in an easy angered situation:

1. Tell the easy angered youth to stop their behavior
2. Keep a safe distance from the youth
3. Make sure your group knows what is going on. You need to tell your group and staff immediately if you think a youth is going to hurt himself, another youth, or staff. This includes a youth talking about YRTC-H escape.
4. If staff physically intervene, you need to follow staff's directions for you and your group. Do not attempt to physically intervene with the out-of-control youth.
5. Never verbally or physically aggravate your group members—especially when they are showing an easily angered problem.

### **REPORTING OF ABUSE, NEGLECT, SEXUAL ASSAULT, SEXUAL ABUSE, SEXUAL HARRASSMENT, OR ANY OTHER SIGNIFICANT INCIDENTS:**

Your safety, both physical and emotional, is the number one concern and duty of YRTC-H staff. You have the right to be safe and protected from abuse at all times while at the YRTC-H. Abuse includes physical, sexual, verbal, and emotional abuse. The YRTC-H has a zero tolerance policy toward abuse, which includes physical abuse and all forms of sexual abuse and sexual harassment. This means no one has the right to physically harm you, to touch you in a sexual way, or to ask you for sex or sexual favors. You do not have the right to physically harm anyone, to touch anyone in a sexual way, or to ask anyone for sex or sexual favors while at the YRTC-H. No one has the right to make disrespectful sexual comments or gestures to you, and you do not have the right to make these types of comments or gestures to anyone. Any sexual contact between youth, or between youth and staff, youth and volunteers, and youth and contractors, is against the law. This includes all intentional sexual contact, including sexual intercourse, touching someone's genitals or having them touch your genitals, and touching

## YRTC-HASTINGS YOUTH HANDBOOK

someone through their clothing in areas including the genitals, anus, groin, and buttocks. You will be held responsible if you choose to hurt, abuse, or harass another person.

While at the YRTC-H, there are things you can do to help keep yourself safe.

- Be aware of situations that make you feel uncomfortable. Trust your instincts. If it feels wrong, tell a trusted staff member.
- Do not be afraid to say “NO!” or “STOP!”
- Avoid talking about sex or being partially dressed.
- Do not accept off-campus items or other gifts from other youth or place yourself in debt to another youth. This can lead to the expectation of repaying the debt with sexual favors.
- Avoid secluded areas. Position yourself in plain view of staff members. If you are being pressured for sex, report it to a staff person immediately.
- Avoid physical contact.

The YRTC-H makes every effort to keep you safe from incidents of abuse. It is important that you know what to do if it happens to you. If you are hurt or abused by another youth or staff, do not shower, brush your teeth, use the restroom, or change your clothes because you may destroy important evidence. Please let a trusted adult know immediately including either a parent/guardian or YRTC-H staff member. At YRTC-H, there are many adults who see you every day who will help you and protect you. If you feel comfortable, you should talk to a facility staff member, mental health professional, teacher, or medical professional and tell them if you have been abused. We will support and ensure your safety. You should request immediate medical attention. You may have injuries that you are not aware of, and any sexual contact can expose you to a sexually transmitted disease. Your report of physical abuse, sexual abuse, and sexual harassment will be private and only shared with people who need to know. It is common for survivors of abuse to have feelings of embarrassment, anger, guilt, panic, depression, and fear. Counseling and medical staff are available to talk with you and provide treatment.

There is a toll-free hotline number you can call to report abuse if you do not feel comfortable talking to someone in the facility. When you call, you will be asked to tell exactly what happened to you. When you call, you do not have to give your name, but if you do, your name and identity will be protected and kept confidential or secret. You may ask any staff member for assistance in placing the call or they may call for you. In addition to the hotline, the YRTC-H Facility Administrator will be informed and will in turn report to the Administrator of the Office of Juvenile Services and local law enforcement.

**The toll-free hotline number to report abuse is:  
1-800-652-1999**

Another way to report abuse is through the YRTC-H grievance system. YRTC-H has a grievance system to handle your allegation or violations of your rights (grievances). For example, if you witness abuse or sexual harassment has taken place, you can report abuse using the facility grievance system if you feel comfortable doing so. The forms are found in all living units. Once filled out they can be placed in any of the locked boxes found by the grievance forms. You can also report abuse using the facility grievance system if you feel comfortable

## YRTC-HASTINGS YOUTH HANDBOOK

doing so. The YRTC-H grievance system is a choice that is always available for you if you do not feel comfortable talking with a staff member directly. If you report abuse, the YRTC-H will conduct an investigation of the situation. Please see pages 32-33 for more information on the YRTC-H grievance process.

**REMEMBER: THE KEY TO YOUR SAFETY IS COMMUNICATION.**

6-002 Departmental Policy. All youth who are housed within a juvenile correctional institution under the Department's supervision, or who under any circumstances are in the custody of or under the supervision of the Department as a disposition for an adjudication of delinquency shall be subject to the provisions of the Code of Offenses. Any breach of the Code of Offenses may result in appropriate disciplinary action. No conduct of a youth constitutes an offense unless it is defined as such in the Code of Offenses.

6-003 Notice of Offense. It shall be the duty of the Facility Administrator of the facility to familiarize each youth with the Code of Offenses either through the orientation process or by the distribution of printed manuals or rules books among the population. Youth and staff shall be kept informed of any changes in the Code by prominent posting of such changes. Newly admitted youth will be informed of the Code of Offenses during orientation.

## YRTC-HASTINGS YOUTH HANDBOOK

**6-004 Standard of Proof Required.** A youth commits an offense only when he or she engages in conduct that fulfills all the necessary elements of the offense. The conduct must be voluntary and be intentional or reckless or grossly negligent. The accused must have had notice that the conduct was proscribed by the Code of Offenses or applicable statutes.

**6-04.01** A youth may be charged as a principal and be subject to appropriate disciplinary sanctions if it is clearly determined that he or she knowingly commanded, induced, procured or aided another person in the commission of the offense. ***The following offenses have been separated into Major violations and Minor violations.***

**6-005 Offenses.** For the purpose of the Code of Offenses, the following is a list of violations, which shall be classified as offenses. ### **YOUTH'S LEGAL RIGHTS:**

If Law Enforcement contacts the facility and requests to interview you as a witness or suspect in a crime, you have the right to say no to the interview. You have the right to an attorney when questioned by law enforcement. The YRTC-H Administrator / designated staff will contact the YRTC-H contracted attorney when a law enforcement interview request is made when you are suspect.

### **SEARCHES:**

Living Unit staff will make periodic searches of the living unit looking for contraband (money, jewelry, cigarettes, alcohol, etc.). You will be pat-searched, for example, after visits and strip-searched if justified by a female staff. Body cavity searches will be conducted by medical personnel only. You are subject to a drug/alcohol urinalysis at any time.

### **GRIEVANCES:**

You may file a grievance for an YRTC-H procedure, policy or action you think is violating your rights. YRTC-H juveniles are not subjected to discrimination based on race, religion, national origin, gender, sexual orientation, disability, or political views. Grievance forms are readily accessible in each YRTC-H living unit. Grievance boxes are not for complaints. Prior to submitting the blue grievance form, talk with staff who may be involved to try to resolve the situation. A Grievance Committee member or member of the Compliance Team will talk with you about your grievance and then make a recommendation on possible ways to resolve your grievance. The YRTC-H Facility Administrator will review the recommendation for the grievance and provide a written response to you. If you disagree, you may file a Step 2

grievance form (pink) which will be submitted to the OJS Administrator (Office of Juvenile Services). You have ten days from the time you receive the YRTC-H Administrator's decision to file the pink grievance. You will receive a receipt from the OJS Administrator once your grievance is received in the mail. The OJS Administrator will answer your grievance within 15 working days. To lodge a concern feel free to contact the following: DHHS System Advocate (DHHS Office; 301 Centennial Mall South; PO Box 95026; Lincoln NE 68509-5026; Phone: 800/254-4202) or Ombudsman, Public Counsel (State Capitol Building; PO Box 94604; Room 807; Lincoln, NE 68509-7712; Phone: 800/742-7690). The Ombudsman's Office investigates citizen's complaints about state government. It is independent of DHHS.

### **RESTRAINT USE:**

Your emotional and physical safety is always the number one concern. Because of this, in certain emergencies, YRTC-H staff may be required to intervene and restrain you. These situations only occur as a last resort, but may happen when you are trying to harm yourself, harm others, escape, or damage property.

Restraints are used only when necessary and are never used as a punishment at YRTC-H.

You are not to become physically involved in an incident where a youth is out of control. You are not to physically restrain any YRTC-H youth, which is always the responsibility of YRTC-H staff.

If you ever have a question about an incident you were involved in or witnessed, always communicate your concern to staff.

### **CAMPUS MOVEMENT:**

You will always travel on and off the YRTC-H campus with at least two YRTC-H staff members. During travel on the YRTC-H campus, always use the sidewalks unless directed to do otherwise by the staff. Always move in an orderly, quiet fashion and do not communicate verbally or nonverbally with other youth groups. Do not run on the YRTC-H campus other than during recreation or physical education classes.

### **OFF CAMPUS MOVEMENT:**

You will be under YRTC-H staff supervision at all times when you are off the campus other than off-campus visits with your family/guardians. When off-campus, always be orderly and polite. If you have concerns communicate to the YRTC-H staff supervising you.

### **ESCAPE:**

You will remain within the institutional perimeter under the supervision of YRTC-H staff at all times.

## YRTC-HASTINGS YOUTH HANDBOOK

If force of any nature is used during the escape, a Class III Felony can be filed with a penalty of 1 to 20 years in prison and up to \$25,000 fine.

If you aid or abet an escape you could be subject to a criminal prosecution and at a minimum you will face the YRTC-H disciplinary process.
